

PHARMACY CAREER CONFERENCE **2023** 28th January 2023

Mohammed bin Rashid University, Dubai (Onsite)

CALLING ALL PHARMA STUDENTS & PHARMA PROFESSIONALS LOOKING FOR A CAREER CHANGE

Pharmacy Career Conference is conceptualized for Pharmacy Students and Professionals who would like to explore the nontraditional pharmacy career options. The students and professionals who attend this conference would get an opportunity to meet industry stalwarts who will share their strategies and challenging stories in pursuing nontraditional pharmacy career options and learn on the current market trends and various opportunities within the sector.

The conference would witness series of interesting sessions by the industry leaders with an aim to help the freshers to understand the dynamics and develop the skills to keep themselves ahead in the race. The initiative will bring together students from various pharmacy colleges and Industry Mentors along with the Hiring Managers from top companies to help the students to make right career choices.

This platform helps students to clear all their queries and enables them to broaden their **mind to make right choices for their future.**

Why attend?

- Know more about various **opportunities** after completing Pharmacy Degree
- Listen to **motivational stories** in pursuing the nontraditional pharmacy options
- Build your **network** within the industry to secure your future role
- Learn about additional courses available to further **enhance** your skills
- How to make life altering **decisions**
- Learn from Industry Leaders about their **career journey**
- Pharma professionals who want to **change** their career

Jobseekers will be looking for clues about what it would be like to work for you, through what your brand is saying to them. If your brand is benefitting from more exposure, candidates will naturally gravitate towards what they think is the best company to work for within the room.

Why sponsor?

Pharmacy Career Conference is the only platform in the region that brings together Students from various Pharmacy Colleges to learn about various career options available upon the completion of their pharmacy career.
